

Delivery Basics

- When we deliver to Microsoft (MMC/MEC), we always deliver to a folder named with an **EIDR** and a **DATE** and **TIME** stamp. These folders are generated by pHelix.

Example:

43AB-472E-DEF5-1243-BD12-A_2018-07-24_12-00-00

- Please remember to **COPY and PASTE** this package from Delivery to Temp Push
